2015 SVY Short Course Summer League Swim Team Registration Form for New Swimmers Accepted from Tryouts for the Bridgewater Blue Dolphins & Hillsborough Hurricanes

In the spring/summer months SVY offers 2 competitive opportunities for our athletes to participate in. Each has its merits, but both are clearly different in focus and intensity.

The Short Course Team – The Bridgewater Blue Dolphins (Head Coach Andrea Marumoto) and Hillsborough Hurricanes (Head Coach Elizabeth Stoddard) are both very traditional competitive swimming settings (25 yard pool), not unlike other summer club teams, high school teams, or even to some extent our own SVY winter team. The focus of this team is to get as many swimmers in the water practicing regularly and having meets on a very consistent basis. Competition is set in a very relaxed and more level playing field. This is a great way to start a YMCA Club swimming career or to simply maintain strength and focus over the summer months to prepare for winter swimming (High School or Club). Most swimmers that try-out for the team for the first time will be directed to this program. As the short course team does not start until the end of May we also suggest that the swimmer signs-up for any of our "stroke" or "spring" clinics in March/April/May & August (space is very limited). Swimmers that make it onto the summer team for the first time must try-out again in August if they wish to be accepted onto the winter SVY team. Practice begins after Memorial Day. Practice and Meet schedules can be found on our websites: www.hillswimming.org (Hillsborough Hurricanes) and Bridgewater Blue Dolphins, www.swimbluedolphins.org.

The Long Course Team is based on the International / Olympic rules of swimming and is set in a 50 meter pool. The focus with this team is based almost completely around training. A swimmer might go to 3 meets the entire 3 month season. There are very limited meets to attend and swimmers must achieve qualifying standards to be considered eligible for these meets. The competition at these meets is very elite and it is not recommended for first time club swimmers. Only swimmers with a strong background in this sport are likely to be accepted onto this team. Practice and Meet schedules can be found on the web at www.svyj.org
